

HATE/BIAS-RELATED CRIME POLICY

POLICY STATEMENT:

The New York State Legislature found and determined that "criminal acts involving violence, intimidation, and destruction of property based upon bias and prejudice" have become more prevalent in New York State in recent years. The intolerable truth is that in these crimes, commonly and justly referred to as "hate crimes," victims are intentionally selected, in whole or in part, because of their race, color, national origin, ancestry, gender, religion, religious practice, age, disability, or sexual orientation. Hate crimes do more than threaten the safety and welfare of all citizens. They inflict on victims incalculable, physical and emotional damage and tear at the very fabric of free society. Crimes motivated by invidious hatred toward particular groups not only harm individual victims but send a powerful message of intolerance and discrimination to all
