

## BBA/MBA Public Accounting Program Department Award- Natasha Fallen

Natasha is receiving the award for the highest GPA in the Combined BBA/MBA program. As a freshman, Natasha was very excited to experience all that university life has to offer, and she's re-made the most of her time here at UConn! She immediately got involved with several extracurricular activities, being promoted quickly and eventually became a General Manager of the largest student-run business.

She also found time to work at our welcome center, be a resident assistant and gain experience her time off weeks to be a featured speaker at Open Houses, Career Bazaar, Orientation, and numerous other activities. We do remember the time where Natasha thought she was going to change her major, thank you for the support!
